

WHAT IS RETOOL?

A Mobilized Church! That's the goal of the Retool Kit Pathway. A mobilized church has a shared vision and effective strategies for impacting its community and the world by reproducing healthy disciples, healthy leaders and healthy churches.

A Biblical Pathway! In today's world, churches need to insure their ministry functions at maximum impact. And yet, changing to get there can often fracture a church. Retool Kit is a facilitated journey from Acts 1 to Acts 15, built on the principles that helped the early church change its world.

Practical Outcomes! What happens when a church does Retool? First, there is growth *every step of the way*. You don't wait until the end of the journey for results. However, when completed, a church will have...

- Renewed Leaders
- Renewed Congregational Community
- A Plan for Dealing with Conflict
- A Refocused Vision
- A 2-3 Year Ministry Plan
- A New Way of Thinking About Ministry

"...I have come to realize that all the time put in...with the vision team has truly been ground breaking for our church..." Vision Team Member
