

About the Workshop Leaders:

Gary Harrison - President of Pinnacle Ministries, co-author of *The Church Retool Kit Pathway*, Gary brings years of pastoral ministry experience to this workshop, together with a passion for local churches and those who serve and lead them. Gary has worked with churches across the country and in Japan and the Philippines, to help them realize and experience the impact God intends them to have.

Ray Swatkowski - Vice president of Pinnacle Ministries, co-author of *The Church Retool Kit Pathway*, Ray brings his experience as a church planter, pastor, missionary (France) and denominational leader to this workshop experience. Ray has worked with churches of various sizes across the US, the Philippines and Japan to mobilize leaders for greater impact.

Who is Pinnacle Ministries?

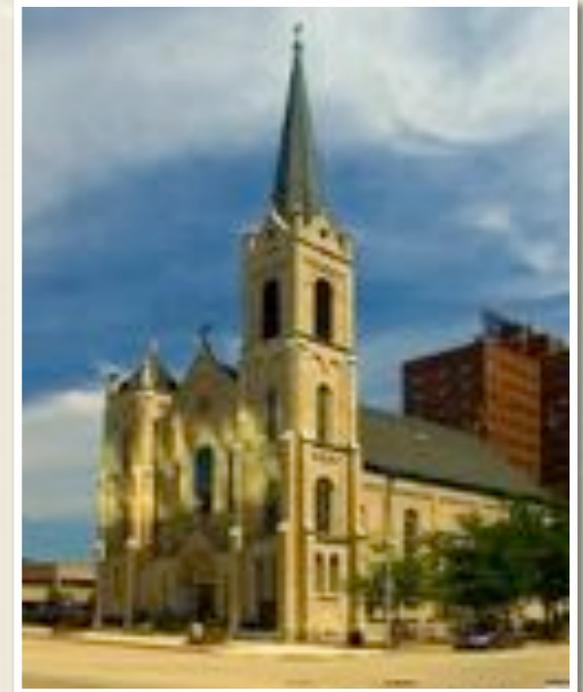

Pinnacle Ministries is a pastoral care and church health ministry committed to *healthy pastors, healthy leaders, leading healthy churches*. Based in the mid-west, but with an international outreach, we employ four specific ministry emphases:

- **Renew** – Experience times of refreshment at Shalom House, a one-of-a-kind pastoral retreat center in New London, WI. Serving one family at a time, guests can bask in the hospitality, refresh their souls, and soak in the indoor swimming pool!
- **Refocus** - a three-day intensive centering on helping one couple at a time, employing both empirical testing and empathetic listening. Very helpful for pastors in transition, crisis or anticipating a sabbatical break.
- **Rekindle** - a gathering of ten to twelve pastoral couples for help in facing disappointment, ministry crisis, or ministerial weariness. Participants are helped to develop and write a self-care plan.
- **Retool** - a pathway of 6 retreats over an 18-24 month period to assist a church in gaining a shared vision and effective strategies to have healthy and effective impact in its community

BECOMING A CHURCH OF IMPACT

Answering the Key Questions every Church needs to ask!

How do we measure impact? Where do we begin? What should the church look like?
How should the church behave? What is OUR church supposed to be doing?

If you're not asking the right questions, it's hard to come up with meaningful answers. Many churches today have the right intent, but don't know the steps they need to take to have meaningful impact in the community where God has placed them.

This workshop is designed for pastors and church leaders to learn and take action together to mobilize their churches for greater community impact. Each session will focus on Biblical principles and provide tools you can use and practical steps for your leadership team to follow.

"They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer...they broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved."
Acts 2:42; 46-47 NIV
